The Deserving Children
Sustainable Arrangement For Valuable Education

Tax Exemption Under Section 2(36) of Income Tax Ordinance 2001

What we do

We are providing free education facilities to the deserving children (orphan and neglected). The free services are provided purely on merit. The basic education facilities we provide include school fee, admission fee, uniform and shoes, books and stationery, travelling and at least two extracurricular programmes in an academic year. The continuation of educational support depends upon the progress of a student in final exams at the end of the year. The facilities are provided to the children of age limit 3 to 16 years. Our psychologists create awareness and confidence among the students.
